

Directors Corner-

The 2015 Northwest Scale Championship is now in the record books. I want to thank all participants in the event. We have once again increased our attendance which made our 5th Annual Championship a must attend event. I especially want to thank Del Herring & the Wenatchee Red Apple Flyer for hosting the event.

Congratulations are in order to the 2015 Northwest Champions. The results are as follows:

Expert - Tom Wolf

Team - Dan Idorn/Rob Dover

Advanced - Mike Ingram

Pro/Am Pro - Rick Stucky

Pro/Am Sportsman - Phil Tallman

These individuals have certainly earned the right to be called the NWSAM Champions!

Plans are already underway for the 2016 Championships. The Red Apple Flyers are in talks with Scale Masters to bring the 2016 USSMA Championships to Wenatchee. More on that as we receive additional information.

The first eligibility scores have been posted on our web page www.NWSAM.org

Cheers, Mike Ingram
